**SALAH FOUNDATION CHILDREN'S HOSPITAL** *Since opening its doors in 1938, Broward Health Medical Center has been providing pediatric services to the communities we serve. In 1996, pediatric services were enhanced and a full service Children's Hospital was established committed to offering newborns, children and adolescents the most advanced, family-centered care. Today, the newly renovated and expanded Salah Foundation Children's Hospital, recognized by the Florida Association of Children's Hospitals and by the Children's Hospital Association, offers the full spectrum of pediatric specialty services and is dedicated to serving the individual needs of children and their families.*
